### **2020 Dartmouth College Student Elections Results**

The Elections Planning & Advisory Committee (EPAC) is an independent committee charged with administering elections for a variety of student positions, including Student Body and Senior Class President and Vice President, Class Council Executives, Student Assembly Senators and Members of the Organizational Adjudication Committee/Committee on Standards. The 2020 EPAC would like to formally announce and congratulate the winners of this year's elections (**bolded and italicized below**).

We would like to thank all the candidates for their hard work over the past week and for upholding the integrity and fairness of the election process during this unconventional cycle. We also thank all students who took the time to vote. This year saw a slightly higher voter turnout than last year, with 1918 total ballots cast.

Congratulations to the winners and best of luck in your positions for the next school year
